Project: Replace Family Housing, Whiteman Air Force Base, Missouri Task Order No. 1

The Solicitation is amended as follows:

- 1. SPECIFICATIONS: Section 01332, page 22, is deleted and replaced with a revised page of the same number. The revised page is attached.
- 2. SPECIFICATIONS: Section 01355A: The contractor is required to appropriately utilize and edit the Government-provided guide specification 01355A. The government will <u>not</u> prepare any permits for the contractor. Accurate and timely preparation and submittal of the completed permits is the responsibility of the contractor. Review and approval times of the regulating authority and base shall be considered and reflected in the schedule of construction activities. The contractor shall assume 14 calendar days are required for Whiteman AFB review and processing of permits for their submittal to the regulating authority. Regulating authority review and approval times vary depending on the permit requested. Permits refused or delayed due to errors or omissions in the permits shall not be sufficient cause for awarding additional construction time to the contractor.
